Airport Could Put L-W High In Realty Business

The Lincoln - Way High School board, like other agencies and individuals in the area, is interested in the likelihood that a major airport may be located in the area.

The noise factor is an important one to school management and should the tract just east of U.S. 45 be chosen the Lincoln-Way school site in Connecticut Hills just west of U.S. 45 would be useless for school purposes, it was said. The western boundary of the site would be half a mile east of U.S. 45 and thus spare Arbury Hills.

However, the school property should have increased value for commercial or industrial use, it was pointed out. The high school district bought approximately 50 acres two years ago at \$1,670 an acre. This was considered a good buy then and the price is looking better all the time, it was agreed.

The property has sewer and water available and if the presence of an airport rules out its use for a school, the district should make money on the deal, altho it was pointed out by board members and administrators that the high school district is not in the real estate business.

If the airport should be built in Green Garden township -- as far south as possible -- the school site could still be used as such, school officials said, altho it could be noisy at times.

It is when jets are taking off that they can deafen people for miles around, according to figures obtained by a group opposing location of a major airport in Homer Township.

The Chicago Aviation Survey Committee has a map on which the Frankfort, Green Garden and Homer Township sites are marked as possible airport locations. So too is Lake Michigan but not on the map. Some acquainted with the needs of the situation say that a land port as well as one in the lake will be necessary.

The Frankfort Chamber of Commerce opposes location of an airport to the east and north of that community. It favors one for Green Garden if located at least five miles south of Frankfort.

The Mokena Chamber of Commerce is against the site to the east or in Homer Township. As far south as possible in Green Garden if it has to be in this area, is the way this group looks at it.

Joliet and Kankakee Chambers of Commerce favor the Green Garden site. In fact Kankakee C. of C. thought that one up. The Joliet City Council for some reason or other -- other than the one that no community wants an airport in its own back yard -- is plugging for Homer Township.

At a meeting in the Joliet Central High School last Thursday night, sponsored by the city officials there, a lot of Homer residents appeared to speak against the airport. Joliet City Council is talking about buying about 15,000 acres of land in Homer and then leasing it to the City of Chicago for an airport.

Will County, it has been pointed out by those who know its financial strength, doesn't have the kind of money necessary to build an

airport and most certainly Joliet doesn't have it. Chicago and Cook County can raise that kind of money, it was said. Cost of the land used for the port would not be an insurmountable cost, it was said, because it would be bought thru condemnation, political observers believe, and they guess it would be under \$1,000 an acre. In a recent sale in Green Garden, to a real estate firm, a farm went for \$875 an acre.

It was brought out that the people in Homer who favor turning that township into an airport are the most part owners of land that would be on the periphery. That is the land that carries a big price tag, it was explained.

The politicoes hold that all this business of rushing back and forth and getting excited over the location of an airport is a lot of waste motion -- the airport, they are convinced, will be located where Mayor Daley of Chicago wants it.

There is a congressman in Indiana who wants to have the airport located there but political observers say that whether it be Indiana or Illinois the decision will come from Chicago.

They also advise not to sell the lake airport idea short. That if one is not built there now it will be done later.

At New York they are talking about another airport too. They are also talking about buffer zones to block off noise. The zones are as large as the airport sites. This calls for more land than is available around New York, it was said, so they are talking about building one in Long Island Sound.

Pat Wieringa, Frankfort, Winner Of Elk Scholarship

Donald E. Ribbing, Exalted Ruler of the Joliet Elks Lodge No. 296, announced the three winners in connection with the Elks National Foundation annual Most Valuable Student competition.

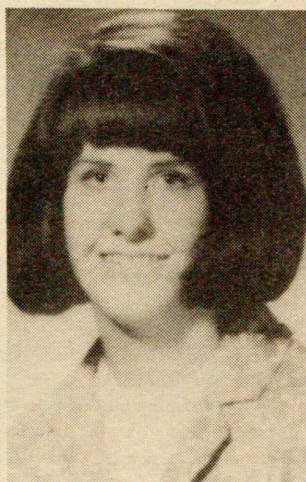

The three winners were: Evelyn Marie Kelly of 1307 E. Cass Street, Joliet; Patricia Ann Wieringa of Frankfort; and Jacquelyne Louise Tomberline of Peotone.

The contest is open to high school seniors and single college students below the

grade of senior who are United States citizens and residents within a local Elks Lodge's jurisdiction, the most valuable student competition is intended to assist the nation's best students in furthering their education. Ribbing said that the competition emphasizes scholastic achievement with other factors of extra curricular and out of school activities, personality and leadership, perservice and resourcefulness, and general worthiness and financial need also be considered. In order to qualify for the national finals, experience indicates applicants having a scholastic average of 90 per cent or better and in the upper five per cent of their class are necessary, he said.

Miss Kelly graduated last year from Joliet Central High School and is presently enrolled in a teacher education program at I.S.U. Last year she also was selected as one of the local Lodge's representatives and also was awarded one of the state scholarships.

Miss Wieringa is the daughter of Mrs. Ethel Wieringa of Frankfort, and a senior at Lincoln-Way Community High School. She has been especially active in most of the extra curricular organizations and a member of the National Honor Society. Patricia has enrolled

PAT WIERINGA

for next year at I.S.U. and plans to become a teacher in Special Education.

All three winners, along with the two previous Elks winners in the earlier Youth Leadership Contest and their parents will be honored by the Joliet Elks Lodge at a special dinner on Monday night, April 1. Previously, Martin Stanisiz of Mokena, and Dorceta Karstensen of Beecher were selected.

The local committee appointed to evaluate the scholarship applications was composed of County Superintendent of Schools, Boyd Bucher; Mr. Louis Bottino, Head Dept. of Educ. Lewis College; and Martin Mackay, director of the Lincoln-Way area special education cooperative.

8 Run For 6 Places On Library Board

Of the six members of the Mokena District Library Board whose terms expire this April, only one, Clarence Miller, is a candidate for re-election.

When the library was established thru referendum last year Circuit Judge Michael Orenic appointed the board of directors to serve until April, 1968.

The election is to be held April 9, a Tuesday, with the library serving as the polling place. The polls will be open from noon until 6 p.m.

Six board members are to be elected. Those chosen will then determine, by lot, which terms they will take so that in future election the problem of electing an entire board will not arise.

To date eight persons have indicated they will be candidates:

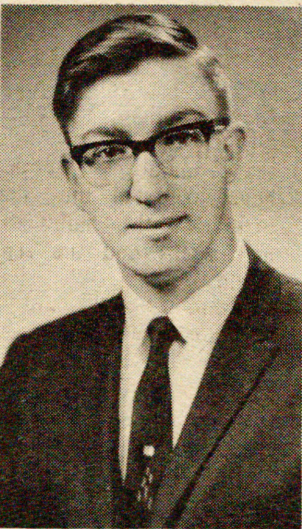

Miller, the incumbent; June Fant, Ann Haislet, Gordon Holleman, Marcelle Lehmann, Rita Schilling, Helen Sippel and Kathleen O'Hara.

The directors, other than Miller, whose terms expire this spring are, Mrs. Louis Richards, Mrs. John Hansen, George E. Sangmeister, Walter Welsch and Joseph Bernardin.

N.L. Lions Report To Public On Use Made of Donations

In the past year the New Lenox Lions Club spent \$4,214.80 on charity and welfare purposes, according to a report made by John Mann, president.

Mr. Mann said the Lions would like to thank the community for its support, not only in 1967, but in other past years.

"We would like to tell the people now the various ways in which their donations were used in the year just passed," Mann added, "and this year we hope to do more."

The largest single item of expenditure was \$1,649.06. This was spent for insurance and equipment for the Little League. The next largest single item was \$1,000, which went to Trinity School for the Blind.

The other amounts and the purposes for which they were used were:

Christmas baskets for needy families, \$624.31.

Midget football team, \$400. Hadley School for Blind, \$100.

Leader Dog fund, \$100.

Medical bills for needy families, \$118.

Coal for a needy family, \$50.93.

Donation to Illinois Camp Lion, a summer camp for the blind, \$50.

Prize money for an essay contest, \$37.50.

Donation to Dialogue, an organization that deals with tapes and records for the blind, \$25.

Donation to CARE, \$25.

Donation to Joliet Lions for Braille books, \$25.

Donation to scholarship for the Mentally Retarded Fund, \$10.

One of the big sources of

funds is the Cadillac Dance, which will be held this year on March 16 at D'Amico's 214. The tickets are \$10.

Another major fund raising event is the pancake breakfast. This year it will be served May 26, at Francis Field with the proceeds going to Trinity School for the Blind.

The carnival and auction in July brings in a nice piece of change, it was reported, as does the windshield wash in the late fall. The money raised thru the windshield wash is used for Christmas baskets.

The Lions have also formed

a program committee to consider more new things to do for the community.

The Lions Den, on Cedar Rd. is available to any community organizations that need it. It is now being used by the Baptist Church, the Girl Scouts, the Sportsman's Club, wedding receptions, and in July it is the scene of the Lions carnival. Any organization wishing to use the den is invited to call Ronald Whitaker, 485-2328.

The Lions Den also has a park in the back with baseball fields, tennis courts and swing sets for the people of New Lenox Township.

Ann Francis Dies; Last Rites Tuesday

Mrs. Anne C. Francis, 83, of Wilmington and formerly of New Lenox, died Sunday, March 3, at Silver Cross Hospital, Joliet, following a long illness.

Mrs. Francis was the widow of former chairman of the Will County Board of Supervisors, Fred A. Francis. She and her husband farmed in the New Lenox area from 1915 until 1950 when he retired from farming. They moved into the village of New Lenox at that time.

Mr. Francis died in October 1953. He was chairman of the county board at the time. He served as a New Lenox supervisor for 28 years.

He was president of the New Lenox State Bank for many years and long was active in 4-H. It was in his honor that the Fred A. Francis Field at New Lenox was

named.

Mrs. Francis worked with her husband in 4-H activities. She was active also in the Methodist Church, the Deborah circle of the Wilmington Methodist Church and the Union Workers Circle of the King's Daughters.

She continued to live in New Lenox several years after the death of her husband, moving to Wilmington in 1956 to live with a son, Fred C. Francis.

Mrs. Francis is survived by another son, Charles J. of Stamford, Conn., and five grandchildren.

Removal was to the Sonntag-Wylie Funeral home, Joliet, where services were held Tuesday, March 5, at 1:30 p.m. with Rev. Ralph Miller and Rev. David Fouts officiating.

Burial was in Maplewood Cemetery, New Lenox.

Faculty Vs. Pupils

Two basketball tilts will pit teacher against pupil in exhibition games March 15 at Amos Alonzo Stagg High School, 111th and Roberts Road, Palos Hills.

First game, beginning at 7:30, will be lettermen from football, track, baseball, and golf teams playing a team of faculty members.

The "pros" get down to it in the next game. Stagg's varsity basketball team will play ball against their coaches. It's rated a toss-up, coaches claim.

Purpose of the game is to raise money for the Letterman's Club. The club puts the money back into the athletic program by purchasing equipment which is in the "extra" category -- not available in the regular budget but nice to have.

Last year's game helped pay for a movie camera and projector which help the football team learn from its mistakes.

Cheerleaders will be competing for the crowd's favor too. The regular student cheerleaders will yell for the student teams but nine women faculty members, some former collegiate cheerleaders are practicing to lead rahs for the faculty cage teams.

Stagg's band will also play at the game to complete the event. Donation is \$1.25 for adults and 75 cents for children.

SEASON'S CHAMPIONS, winning all 22 games played is the Mokena grade school heavy-weight basketball team pictured above. The last game was played Saturday, March 2, at the Troy Community grade school gym against Channahon with a score of 58-57. This was for the Des Plaines Valley Heavyweight tournament championship.

Village Board Will Study Plans For Sidewalk Program

A sidewalk program for Frankfort is one of the objectives of the village council and inquiries will be made in other communities where such plans have been developed to determine the best way to proceed.

The subject was brought before the village board Monday night by Mayor Glenn Warning, who said that a number of residents have suggested the village press for the building of new walks and the repair of old.

Altho sidewalks are on municipal property they are built by the adjacent property owners. Trustee Lynn Kohlhausen said that a sidewalk building program in Peotone has been quite successful and there the village contributed \$1 a lineal foot to meet the cost of the improvement.

The walks there were costing about \$3 a lineal foot -- it depends on how wide the walks are -- so the village was paying about a third. This cost, however, was for the laying of the concrete, Kohlhausen said, and did not include the grading.

Most municipalities now have ordinances that require all builders developing areas today to install sidewalks, along with curb and gutter, storm sewer and street paving. However, such measures do not apply to the older sections. Many municipal officials now see that sidewalks are a necessity and

are studying ways and means of getting them built.

At the next meeting of the village board the trustees are expected to have all their probable expenditures listed so the business of preparing the annual budget and appropriation ordinance can proceed. A member of the auditing firm representing the village will be present to answer questions.

Village Attorney August Santoro will also bring in a couple of annexation petitions at the next meeting, he said.

Trustee Willard Klier advocates that the village take steps now to halt the hauling of junk to the Gambrel property, at the south end of the village. Trustee Klier said that when the land was purchased Gambrel agreed to erect a warehouse in which metal could be stored and that he was not to store it in the open. Storing stuff in the open is what the firm is doing now, Klier charged. He added that for a time Gambrel used the property to store carnival equipment. Santoro is to write a letter, advising Gambrel to desist.

The village is buying a new adding machine and a power saw.

Merchants To Play 2 Games This Week

The Orland Park Merchants, the basketball team sponsored by the Orland Park Chamber of Commerce, state champions, play the Mendota five tonight (March 7) at 8 o'clock in the Carl Sandburg High School gym.

And on Saturday night, March 9, the Merchants and the Varsity Shop Blue Chips will play in the preliminary game at the Chicago Stadium. The Merchants and Blue Chips game is slated for 6 o'clock. This contest will precede the game between the Chicago Bulls and the St. Louis Hawks, of the National Basketball Association. There are plenty of

Police Chief A. T. Massey was instructed to check buildings in the village and report those that appear to be a safety or health hazard.

Persons just moving into the village or have just purchased a car can get a village sticker without penalty, it was pointed out when the question was brought before the board.

A legal question was also brought up. Who are officers or officials and who are village employees. Courts have held village officers or officials are not covered by workmen's compensation insurance, while village employees are. Orland Park makes a clear distinction on this point.

The E. J. & E. Railway has filed objections in court to some of the tax levy of the village. The railroads and big corporations usually have objections pending covering taxes in many areas, usually on highly technical grounds.

Permission was granted NI-Gas to lay 136 feet of 2-inch pipe to bring fuel to the Frankfort library.

Trustee Gerald Francis reported that the tennis courts in the park are to be waterproofed so they will hold ice.

Knock Knights Out Of State Cage Race

Lincoln-Way lost a close one in the first round of the Joliet regional basketball tournament Monday night so is no longer in the running for a chance at the Illinois prep cage crown.

The Knights dropped a 63-62 decision in a game against Joliet Central. The Joliet team overcame a six-point deficit in the closing minutes to snatch victory.

Clarence Bates of Joliet was high point man for the game with 19 tallies, 17

of which were scored in the second half and that really told the story of the game.

Webb was top scorer for Lincoln-Way with 18 points; Fredin got 15, Pat McCabe 14, Mike McCabe, 8 and Minger 7.

In the first game of the evening Lockport Central clobbered Lockport West, 94 to 29. Lockport, according to the experts, should finish up the winner of the regional and many of them expect the Porters to reach Champaign.

Manufacturers Urge Financial Help For Parochial Highs

While the directors of the Greater Will County Manufacturers' Association does not flatly call upon business, industry and individuals to rally to the financial aid of the Catholic high schools the inference is clearly there in a resolution they adopted at a regular board meeting.

"A careful study of the financial problems of the Will County Catholic High Schools" the statement says, "shows continuing deficits that could ultimately lead to closing these schools if some additional means of balancing their budgets is not achieved. Tuition and school fund raising activities are yielding all that can be ex-

pected of them. The ultimate solution is in state and - or federal support. This, however, is probably five years away.

"To maintain the schools in the interim, the Greater Will County Manufacturers' Association recommends to business, industry and individuals that they examine this problem carefully and participate in a way and to the degree they consider proper for them, if only as a matter of self interest.

"It will cost more in taxes," the state concludes, "to have these Catholic high school students in the public schools."

Area Girl Winner Scout Cookie Sale

James Peyton
Telephone: 532-1516

Congratulations are in order for Linda Henschel of Pleasant Ave., who as a member of Jr. Troop No. 289 sold the most girl scout cookies.

The Girl Scout Day Camp will be held in Van Horne Woods from July 15 thru 19 and all girls must register and pay the \$5.00 fee before the March 25 deadline. Also one adult is required for each 6 girls and adults and nursery children (7 or under) are free. For further information please contact Mrs. James Ott at 532-6730.

Girl Scout Cookies will be delivered between March 20 and 27 with the money payable on delivery. Lets all try and have the money ready to help save confusion at this time.

I am sorry to announce that one of our new neighbors Fred Loreth of Ethyl Lane is in Hazelcrest - South Suburban Hospital. The nature of the illness was not available at this time.

To those of you who have

not registered to vote the time has been extended to give you more time so lets all take advantage of this extension and get registered. We have some important elections coming up very shortly and we will need all the votes we can get. If you need a ride to get over there to register please call me at 532-1516 and I will see that you get over there.

All boys who did not register for boys baseball there has been an extension of time on this too. If you care to join you can register March 9 however this will be the last time allotted for this.

A special little note to Terry Bunt of Pleasant Ave. Yes, I know you have your leg in a cast, but what can you say to a boy of 14 when he loves baseball but might not be able to play this summer except that I'm sorry. I'm sorry that you may not play baseball and even more sorry that you may have osteomyelitis and I'm sure if you do what the doctor says you will be well again in no time at all.

EDITORIAL

I had a phone call the other day from a rather irate lady who dressed me down for not publishing her item on one of her favorite youth groups. I must say that it was one of the rudest phone calls I have ever listened to in my life and I am well past 21 twice. I, of course, ended the conversation rather

er abruptly. After thinking about this conversation and analyzing the situation I decided to explain the role of a newspaper in a community.

First: Good readers and subscribers, FREEDOM of the press is not for FREE at all, but is paid for in advertising dollars by your local merchants. Without these legitimate sustaining

dollars, the press, any press would exist as the veriest harlot, subject to the call of every selfish force.

Second: Any paid subscription NEWSPAPER is delivered to those who pay for it because they want it and want to read about what is happening in their community. Consequently, when an advertiser buys an ad in your paper he also buys editorial space in order for us to print the news that you want and should read.

Third: Actually space allotted for editorial content in any newspaper depends upon the amount of advertising purchased by the local merchants. If they don't buy advertising space we don't have enough room to print the news that a great many of our readers feel we should print. When the advertising space is limited,

L-W Wrestler State Champ

Frank Chandler, 17, of New Lenox, a senior at Lincoln-Way High School, won

then the editorial space is also limited and we try to be as fair as we possibly can in allotting space on a first come, first served basis.

Fourth: Our newspaper is paid delivery, we do not saturate the city with a shopper that contains nothing but advertising because we feel that we do have an obligation to our citizens to give them an informative newspaper to the best of our ability -- but we are limited when local merchants choose to use an advertising media that returns nothing to the community in the way of public service. We print, what we can, when we can and in the best interests of the community we serve, but a newspaper is only as strong as its supporters -- which means advertisers and subscribers; that's where we make a buck, and after all, we are in business to make money and to perform a public service along the way.

the heavyweight crown in the state wrestling finals last weekend in Northwestern University's McGaw gym.

Chandler, who tips the scales at 250, beat Phil Gustafson of Galesburg, 3-1.

The victory in the state match completed an unbroken string of wins this year in high school competition. Chandler has 31 victories to his credit this season and no defeats. Last year he was second in the heavyweight

division in the state tournament.

Other champions from the area included Dick Casiano, of Thornton Fractional North who beat Vince Guttierz, of Kelvin Park, 6-3, in the 95-pound division.

Dick Terdy, of Tinley Park placed second in the 120 pound class. Also finishing second from the area was Rich Nranum, of Rich East, in the 127 pound division.

20 years from now the electric heating in your home will still be one of the brightest ideas you ever had.

Only an electric heating system will be just as modern in twenty years as today. It will probably outlast your mortgage. (No other heating system can make that statement.)

Electric heat has other things going for it, too. Like flexibility, cleanliness, economy of installation, silence, trouble-free operation, odorlessness, and five different types of systems to choose from.

All of which adds up to keeping your home bright and modern for many years to come. And electricity is making it possible. Check into electric heat... the modern heat.

The Cub Scout Pack No. 237 held their annual blue and gold banquet Saturday evening, Feb. 24. It was held at St. Anthony's church. For the opening, everyone said the pledge to the flag. The invocation was by Mrs. Ralph Bidne. Everyone enjoyed a dinner of roast beef, mashed potatoes, gravy, corn and beans, a combination of salads and cake was served for dessert. We wish to thank the people who helped with the banquet and thank them for doing this for the pack. Mrs. Tom Fordonski for doing the cooking, Mr. and Mrs. Henshaw, Mr. and Mrs. Elwood Zitter, Mrs. Ellen Coburn, Mr. and Mrs. Bud Oas and Mr. and Mrs. Eddie Fields. These people did the serving and cleaned up after the banquet.

The committee was introduced to the people. Committee chairman: Ralph Bidne, Institutional representative; Roy Robertson, Membership; Bill Lovelock, Publicity; Ed Nicholson, Treasurer; Howard Bluth, Historian; Mrs. Ed Nicholson, Neighbor commissioner; Robert White, Den mothers are Den No. 1 Mrs. Jack McCarter, den. No. 2 Mrs. Roy Robertson, Den No. 3 Mrs. Earl Piepenbrink, Den No. 4 Mrs. Henrietta Reynolds, Webelos den Ralph Bidne and Den chiefs from troop No. 270 Shane Gericke, David and Kenneth Bidne. Also introduced was Mrs. Cal Heath Jr. president of the P.T.A. The P.T.A. sponsors the Cub Scout pack. Mrs. Robert White, a substitute den mother was also introduced.

We also would like to thank the P.T.A. for the new flag pole they purchased for the pack. We wish to welcome a new boy, Phillip Ortegell to the pack. Franklin Zimmerman received his two year pin. Roger Cooper and

James Smith received their Wolf badge. We are losing several members of the committee at the end of the season in May. We wish to thank these people for their time and hard work for the pack. Beginning in September the den mothers will be Mrs. Lowell Zimmerman, Mrs. Elwood Zitter and Mrs. Jack McCarter who is staying with us. Mrs. Roy Robertson will serve in a new position. She will be Den mother coach. Mr. Eddie Fields will be our

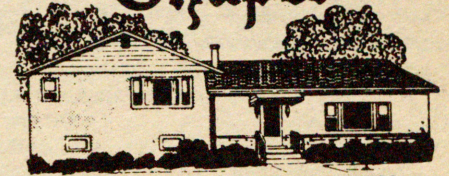

new registration man.

Entertainment for the banquet was by "Lauris" the Magician. We believe everyone enjoyed his act. Door prizes were won by Mrs. Ferne Griggs, Mrs. Russel Wolcott, Mrs. Jack McCarter, Mr. Cal Heath Jr. and Roger Cooper. At the end of the banquet everyone sang America the Beautiful. We would also like to express our appreciation for the use of the St. Anthony's church for the banquet.

Sunday, March 10 Marks Opening Of Scout Week

Mrs. Edward Hovi
Telephone: 479-5740

This Sunday, March 10, marks the opening of girl scout week. The troops in Arbury Hills are planning their own celebration here at the school.

The program will begin at 2:00 p.m. All the troops in Arbury Hills from the brownie scouts on to the cadettes will participate.

The theme of the girl scout week this year is "Hand In

Hand Around The World." All parents are invited to attend. There will be no charge for this program.

There will be no taffy apply day at the school this month, but they will be resumed in April. There is a need for volunteer help for the hot dog day at the school scheduled to be held on Wednesday, March 27. If you would be able to help out on that day, please contact Mrs.

Marty Jager at 479-9281.

The regular monthly meeting of the Summit Hill Parent-Teacher Group will be held at the school on next Thursday evening, March 14, beginning at 8:00 p.m.

Following the business meeting, there will be a speaker, Mr. Martin Mackay, the Lincoln-Way area school psychologist, who will discuss the progress of the special education progress in this area. The progress is due mainly because of the co-operative formed hereabouts.

Mr. Mackay is eminently qualified to speak on this topic having received his degree at Northern Illinois University. He earned his master's degree at the University of Illinois, and took further study at the University of Illinois.

He taught at the Illinois State University and was a

teacher of Business at Lincoln-Way High School for two years, and a counselor at the same school for four years. He was also examining psychologist at the South-west Cook County Special Education Co - Operative prior to becoming this area's school psychologist.

This should prove to be an interesting and informative program which should be of interest to thinking people. This is one place where you can see the value of that large chunk of tax money which goes to support the educational program in the Lincoln-Way area.

Please make an effort to come for your own benefit as well as a courtesy to Mr. Mackay who is taking out his valuable time to be present.

The First Nighters will have their March meeting tonight, Thursday, March 7, at the home of Mrs. Liz

Horn on Beechnut Drive, beginning at 8:00 p.m.

Six of the hardiest boy scouts spent a freezing night at Morris at the new Boy Scout Camp there over last week end. At five degrees above they call it fun? The boys were participating in the polar outing as one of the requirements they were working on.

They keep telling me that it is fun, but I think they lie a little. All kidding aside, boys, good show!

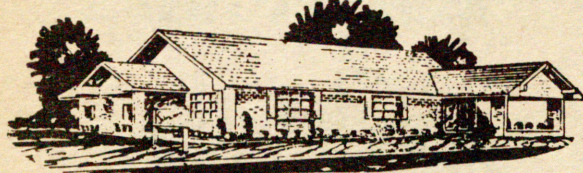

The registration for the upcoming baseball season took place at the school last Saturday. Those boys who have not as yet paid their registration fee of \$4.00 must pay at the school this Saturday. There will be a representative of the organization at the school from 11:00 a.m. until 1:00 p.m. to collect the fees.

Prather and Mrs. Richard Hendrickson. They meet each Wednesday at the home of Mrs. Prather, beginning at 8:00 p.m.

At the present time there are seven ladies in the group and membership will be limited to twelve in all. Dues are 50¢ per week. The dues are to be used for a charitable project to be decided upon, and any remaining amount will be pooled every six months to have a dinner out with their husbands.

Each week Mrs. Prather provides the coffee and every lady in turn provides the refreshments. For further information to anyone interested, please contact Mrs. Prather at 479-5491.

New Ford Mustang—\$2368* f.o.b. Detroit

(and we're not fooling!)

This is the car you never expected from Detroit. Mustang is so distinctively beautiful, it has received the Tiffany Award for Excellence in American Design, the first automobile ever to Mustang flavor.

\$2368* f.o.b. Detroit is the suggested retail price for a completely equipped standard Mustang Hardtop (above). This price includes luxury features either not available or available only at extra cost in most other makes of cars.

*Suggested retail price. Destination charges from Detroit, options, state and local taxes, and fees, if any, are extra. White sidewall tires are \$33.90 extra.

That's our 1964 ad.

We'll sell you a 1968 Mustang at the same price. Our way of helping to fight inflation.

This has to be a better idea for everybody—a '68 Mustang at the '64 price. The '64 was the first of a whole new breed. Great car. And every Mustang since then has been an improvement on the breed. Why settle for less? Only your price is the same.

Frankfort C. Of C. Plans Spring Dance

The Frankfort Chamber of Commerce is getting ready for its annual spring dance. The affair is to be held March 16 at the Veterans Memorial Building.

Dancing is scheduled to begin at 9 o'clock, with the music provided by the Henri Buttel orchestra.

Police Chief A. T. Massey, chairman of the ticket committee said tickets are in limited supply.

Also meeting this month

is a combined session of the coordinating committee of the Illinois sesquicentennial celebration and representatives of various civic organizations in the village. The idea is to draft plans for a celebration in Frankfort over the Labor Day weekend.

The Frankfort Lions will have their annual Sauerkraut Day Aug. 31 and it is planned now to expand the program to cover the weekend, with a parade and dance.

Mokena Boy Easter Seal 'Poster Child'

The world can look pretty big to a four year old; but not to Mark Skoglund, Will County Easter Seal Child for 1968. He feels like "Super Chicken"!

Mark is a victim of Spina Bifida, a cleft spine, and must do exercises daily. After a work out, Mark says he feels just like "Super Chicken", the hero of his favorite TV cartoon show.

According to Mark's parents, Mr. and Mrs. Robert Skoglund, 26 South Brightway, Mokena, attending the nursery program at the Will County Easter Seal Treatment Center, 214 E. Cass St., Joliet, is a big thrill. He loves playing with the other

Mark's older brothers and sister, 12 year old Robert, 9 year old Steven and 7 year old Mary Ann, enjoy playing with their little brother and teaching him songs. Next to being like "Super Chicken", Mark enjoys singing the MOST! He sings himself to sleep at night, sings songs he hears on radio and songs his older brothers and sister teach him. And you'll find Mark's voice raised among the loudest in the Easter Seal Center nursery.

With the therapy Mark receives at the Easter Seal Center, he can look forward to going to the public school when the time comes.

The center, in existence for more than 12 years in Joliet, is almost entirely supported by the donations for Easter Seals and the door to door campaign which will be held March 31. The annual drive is in progress now thru Easter Sunday. Patients, children and adults, pay only a nominal charge if they can afford it; fees are patient choice.

Mrs. Wayne French, occupational therapist, is director of the center, assisted by Mrs. Arthur Nelson, nursery school supervisor; Mrs. George Ihrke, Mokena, and Mrs. Naomi Law, speech therapists; Mrs. Val Rand, occupational therapist; and Miss Jacqueline Bellizzi, physical therapist. Approximately 50 to 60 patients are treated monthly at the Will County Easter Seal Treatment Center.

Marley

Woman's Club To Observe Illinois Sesquicentennial

Mrs. Virginia Sass
Telephone: 485-6424

The Marley Woman's Club will observe the Illinois Sesquicentennial at its meeting March 14, at the home of Mrs. William Schwab. Mrs. John Francis of New Lenox, will present the program. She will show items from the Francis family and give

an informal talk on their history. Articles of the early Illinois era, belonging to club members, will also be on display. Mrs. Loren Sass will be the assisting hostess. Desert-coffee will be served at 1:30 p.m.

A Fish Fry will be held in the Marley Community

Church Friday, March 15. Serving will be from 5:00 to 7:00 p.m. Tickets at \$1.25 for adults and 75¢ for children, may be obtained from Mrs. Fletcher Binion, 485-8512.

Mr. and Mrs. Roy Berndt have returned home from a Florida vacation.

Mr. and Mrs. O. D. Ferguson have received word of a new granddaughter born to Mr. and Mrs. Ronald Ferguson in the Rockford Memorial Hospital, Rockford, Ill. Feb. 20. She weighed 7 pounds and 14 ounces and

has been named Judith Ann.

Paul Sabin, who has been residing with his uncle and aunt, Mr. and Mrs. Francis Nelson, while attending the Joliet Junior College has entered service in the Navy. After the induction procedures in Chicago March 4, he left for a 30-day leave at the home of his parents, Mr. and Mrs. Homer Sabin at Mickleton, N. J. His basic training will be at the Great Lakes Naval Training Center or at San Diego.

William Stelter of Tinley Park, was re-elected chair-

man of the Will-South Cook Soil and Water Conservation District at a meeting Feb. 28. Others elected to serve the District this year are Edward Berens of New Lenox, vice-chairman; Earl Keniston of Manhattan, treasurer; Conner B. Shaw of Monee, secretary and LeRoy Deutsche of Crete, director.

Appointed as associate directors were Richard McHugh of Manhattan; Loren Sass of Lockport; Hugh Pilcher of Plainfield; Earl Siemsen of Monee; Robert Norman of Peotone; Robert Goodwin of Wilmington; Robert Burch of Lockport; Dew-

ey Lang of Homewood; and Henry Merkel of Wilmington.

Technical assistance is provided in the District by the Soil Conservation Service personnel, Allan May and Warren Townsend.

The District will cooperate with other Districts in the Chicago area with an exhibit at the World Flower and Garden Show in the International Amphitheatre in Chicago, March 23 - 31. Soil Stewardship week will be observed May 19 - 26. The theme this year is "A Time For Initiative". Churches will be provided with program inserts and materials.

Postmasters Attend State Conference

Leonard Decker, acting postmaster at Mokena, is back after attending a three-day postmaster's training conference at Springfield last week. He attended the affair with Postmaster Lester Brown, of New Lenox.

This was the sixth annual conference to be held under the sponsorship of the Illinois Chapter of the National Association of Postmasters. Sessions were of a workshop type with staff and resources personnel being provided by the Chicago Regional Office of the Post Office Department.

More than 700 postmasters from throughout Illinois attended the conference and participated in sessions which concentrated on such topics as:

Principles of managing a post office.

Courses in mail classification procedures.

Procedures in employee-management relations, and a series of other topics related

to post office operations.

Donald L. Swanson, Chicago region postal director, was the principal speaker at the banquet which was one of the highlights of the conference.

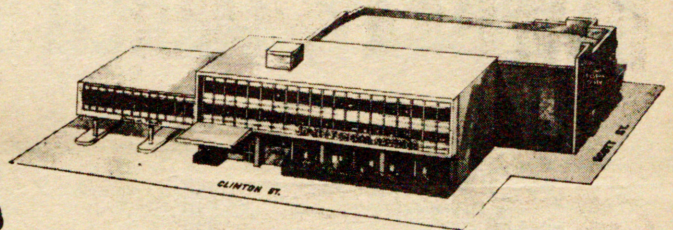

He said that the handling of the 1967 Christmas mail was the most successful and efficient in the department's history, despite an increase of over 3 per cent in mail volume over the previous year. More than 75 per cent of all first class mail was airlifted and Swanson predicted that Postmaster General O'Brien would ask Congress for the establishment of a priority mail category by the end of 1968, which would combine first class and airmail in a single category.

Swanson also commended the postmaster in attendance for taking time out, at their own expense, to increase their knowledge and to improve their abilities as postal managers.
